Dancing Your Way Through the EFT Steps: Mastering the EFT Tango

with EFT Certified Trainer **Pam Solem-Weser, LPC**

Do you ever feel bogged down by the 'steps and stages' of the EFT model? If so, you're not alone! In this **Community Workshop**, learn how to use the **EFT Tango** to simplify your conceptualization of the model and develop a moment-by-moment guide for what to do next in session, freeing you up to stay present and attuned with your clients. Learn this cornerstone piece of the EFT model with video clips and role plays, while enjoying the emotional safety of our community members.

Objectives: (1) Learn what the EFT Tango is and how to use it in session; and (2) Practice using the EFT Tango vis-a-vis supervised role plays with peers.
